

## Safe - Shook Twins

### Chorus :

All I want, all I want, all I want, all I want  
Is a love that feels safe  
It's not gonna move from me or change shape  
And all I want, all I want, all I want, all I want  
Is for you to stay  
Right here with me in this place

### Verse 1

Well it isn't the dream if it only looks like the dream  
How come you keep thinking you can fool me?  
With your holographic pretty things  
I'm following your finger when you ask me  
I'm addicted to your yes or no  
I can't let this go

### Chorus

### Verse 2

I been tryin hard to make it feel right, but it's not right  
Cuz there's nothing moving  
Tell me how it's different than it was then  
You were sure then, now we're moving backwards  
All of this is broken cuz of nothing  
We were strong and now you're hesitating  
I can't let this go  
Go

### Chorus + first verse at the same time

## Dreams - Cranberries

Oh, my life  
Is changing every day  
In every possible way

And oh, my dreams  
It's never quite as it seems  
Never quite as it seems

I know I've felt like this before  
But now I'm feeling it even more  
Because it came from you

Then I open up and see  
The person falling here is me  
A different way to be

Ooh oh oh oh ho  
Oh ho oh oooooooooo x 2

I want more  
Impossible to ignore  
Impossible to ignore

They'll come true  
Impossible not to do  
Impossible not to do

Now I tell you openly  
You have my heart so don't hurt me  
You're what I couldn't find

Totally amazing mind  
So understanding and so kind  
You're everything to me

Oh, my life  
Is changing every day  
In every possible way

And oh, my dreams  
It's never quite as it seems  
'Cause you're a dream to me  
Dream to me
